**Wednesday 13th December 2023 - 7.00pm:** The Biggest and Best Action Movie of the Year "**MISSION: IMPOSSIBLE - DEAD RECKONING Part One**" (12) 2023 starring Tom Cruise and Hayley Atwell. Ethan Hunt (Tom Cruise) and his IMF team embark on their most dangerous mission yet: To track down a terrifying new weapon that threatens all of humanity before it falls into the wrong hands. With the fate of the world at stake, a deadly race around the globe begins. Confronted by a mysterious, all-powerful enemy, Ethan is forced to consider that nothing can matter more than his mission - not even the lives of those he cares about most.

Review: 4.0 out of 5 stars Not my favourite instalment in the series but still brilliant!

The Film Club would like to wish you all '**A VERY MERRY CHRISTMAS and a HAPPY NEW YEAR.**'

**Wednesday 10th January 2024 - 7.00pm:** A Good Movie "**A GOOD PERSON**" (15) 2023 starring Florence Pugh and Morgan Freeman.

British star Florence is starring alongside Tinsel town royalty Morgan Freeman in her new movie A Good Person. In which she looks far from her usual glamorous self as she takes on the role of Allison, who's in recovery for an opioid addiction and is dealing with unresolved grief.

Written and directed by Zach Braff, director of Garden State, we see Allison survive an unimaginable tragedy but as her life hits rock bottom, she strikes up an unlikely friendship with her would-be father-in-law Daniel (Morgan Freeman).

Review: I laughed - I cried. The acting is nothing but superb, the script & story telling pretty spot on for anyone who has travelled the process of grief, cycles of addiction; love and friendship... and hope in the darkest of places. A film which takes you places & an absolute joy :-).

**Wednesday 24th January 2024 - 7.00pm:** Love brought them together, war tore them apart "**I'LL FIND YOU**" (12) 2023 starring Adelaide Clemens, Leo Souter, Stephen Dorff, Connie Neilsen and Stellan Skarsgard.

Catholic opera singer Robert Pulaski and Jewish violin virtuoso Rachel Rubin dream of performing together at the legendary Carnegie Hall in New York City. When the German invasion of Poland tears them apart, Robert vows to find Rachel at any cost.

Review: Beautiful, sad, tragic, full of hope and desperation, convoluted and emotional. Beautiful story and beautiful film. Enjoy watching Enjoy listening.

BEFORE

AFTER

Back in October 2017 the Solar Fund commissioned new improved entrance pillars to widen the old cemetery entrance. Funeral hearses could no longer swing safely into the cemetery due to the narrowness and lack of pull in space. By November 2017 the brick weave pad was laid to provide a roomier, tidy entrance and everything was complete - including refurbished

original metal gates. This year the Parochial Church Council has begun to tidy up the graveyard and just recently the southern field boundary has been cleared in readiness to plant a new hedge.

Post box times have changed. Sadly no longer are Royal Mail offering 'later' collections at many rural postal box sites. All post boxes are now marked 9am. Sheringham Road box (and East Beckham box) is therefore no longer a 4.30pm collection. However, it maybe that the post person will collect after 4.30pm - it just gives them more flexibility!

In 2022, to mark the late Queen Elizabeth II's Jubilee, the Parish Council planted 2 apple trees as part of the 'Queens Canopy'. To protect these trees, but also to mark them out as being special, two tree guards have been purchased. These are crafted by a Suffolk company who specialise in estate fencing and tree guards.

With strong welded steel construction these metal tree guards provide decorative protection for saplings and smaller trees, and suitable for sheep & smaller stock animals. **Designer Metal (Suffolk) Ltd** are very proud of their range of products and have refined their manufacturing process to such a degree that they compete on price with importers, whilst still offering superior home grown quality.

**BECKHAM ALLOTMENTS:** Located in East Beckham opposite The Loke NR11 8RP

The new allotment season is looming and in the new year we will be planning the parish allotment plot allocation for the year from March 24. Anyone who has not already got a plot and would be interested in taking up an allotment for the 24/25 season at an annual fee of £20 per plot for parishioners and £30 per plot for non parishioners please contact Cllr David Barrass at [d\\_barrass@btinternet.com](mailto:d_barrass@btinternet.com)

The Felbeck Trust with Volunteers continue to make improvements for nature (there have been many interesting moths found during the summer!) in West Beckham Old Allotments (WBOA) where another pond has been dug and hedging gaps have been filled with a 'dry hedge' - weaving the Hawthorn cut from the overgrown hedging near the hut. East Beckham Common also got a tidy up removing some of the nettles and at some point the new-ish pond will need to be dealt with, as it was found to have developed a leak.

The aim of this set up is to improve the quality of life for residents in North Norfolk by connecting people, harnessing community spirit and resilience.

The cost of living crisis is affecting us all. The Community Connectors can tell you where your local food hubs and warm spaces are. They can signpost you to organisations who can provide financial and emotional assistance. Maybe you're new to the area and would like to meet likeminded people. Perhaps you would like to start a new hobby or volunteer?

The Community Connectors are also here to support you if you run a community or voluntary group. Whether you require support or to recruit volunteers, find funding streams or encourage more people to participate, they are here to help. Just get in touch or view the website map to see what you can find.

### Community Cafe & Warm Space in the Bodham and Beckham Village Hall opens up every month and **November 25th** has a special visit by the East Anglian Air Ambulance CPR and Defibrillator Trainer.

Please come along a take part or listen to the free hands-on session. We are very lucky to have 3 defibrillator's, one in each village and with simple but priceless techniques we can all help save a life. Come along and refresh your memory if you have been before, or just to make sure you have as much knowledge as possible should you ever need to use it!

The Cafe will be open from 10am and the demonstration will start at 11am. Tea, coffee and snacks will be available.

Training is being provided free of charge by East Anglian Air Ambulance but any donations to the charity would be extremely welcome as the receive no government or NHS funding.
